

BIO 102: Introduction to Biology II

Introduction to Biology II is the second of a two-sequence course designed for non-science majors. It includes evolutionary principles and relationships, environmental and ecological topics, phylogenetics and classification, and a survey of biodiversity. A 120-minute laboratory is required.

Credits: 4

Lab Hours: 1

Lecture Hours: 3

Prerequisites:

BIO 101

Program: [Biology](#)
