Swift Programming

Short-Term Certificate

Available: Shoals Campus
Advisors: N. Lewis (5234) natasha.lewis@nwscc.edu
J. James (6234/5346) jamesje@nwscc.edu

The Swift Programming Short-Term Certificate verifies that the student completed three courses in Swift Ap Development (app development for iOS systems). Students are provided a lab of MAC computers for app development. They are also provided iPad minis and iPods for testing purposes. The additional required course is either Java or Python, two of the most popular programing languages in current use.

Entering students are required to complete ORI 107. Transfer students are exempt from this requirement.

Program: Computer Information Systems Technology

Required Courses
