

Tuition and Fees

The following information reflects the current tuition and fee schedule approved by the Alabama Community College System Board of Trustees. Regular courses are defined as day, night, weekend, off-campus, mini-terms, videoconferencing, and web-assisted. Distance Education courses are defined as hybrid or online, and with the exception of remote test proctoring fees, tuition and fees are equivalent to those for regular courses. Please see additional information below the chart on distance education test proctoring fees. The College reserves the right to change, modify, or alter fees, charges, expenses, and costs of any kind without notice as approved by the Alabama Community College System Board of Trustees.

Tuition and fees above 19 semester hours will be calculated at the current, appropriate rate. The in-state tuition rate shall be extended to students who reside outside of Alabama in a state and county within fifty (50) miles of either campus. Please contact the Business Office for details.

NOTE: Tuition and fee charges are those in effect for 2021-2022 academic year. They are subject to change, so for current charges, contact the Business Office at either campus.

Distance Education students are required to take at least one proctored exam in order to verify student identity. Some courses require multiple proctored exams. Although we make every effort to accommodate distance

education students with low cost or no cost test proctoring services, students who are unable to take exams using provided methods will be responsible for any charges incurred with remote test proctor sites/services and will pay any required fees directly to these sites. Students are also required to have a computer with webcam/microphone and a high-speed Internet connection and will be responsible for related charges. Please contact the NW-SCC Distance Education Office at 256.331.5395 if you need assistance or have questions about using a remote proctor.
