

WorkKeys®

Across the country, employers, educators, labor organizations, and state agencies are working together to ensure that students and employees in their communities are adequately prepared for higher-skill, higher-wage jobs.

Northwest-Shoals Community College serves as a contact for WorkKeys profiling, assessments, and skill training. WorkKeys®, ACT's comprehensive system for improving the workforce, can serve as a rallying point for these efforts.

Using WorkKeys,

- Employers can identify and develop workers for a wide range of skilled jobs.
- Students and workers can document and advance their employability skills.
- Educators can tailor instructional programs to help students acquire the skills employers need.

By contributing to a stronger workforce, WorkKeys helps strengthen the nation's economic health.
